

Conferences organized by Department of Radiology 2012-16

Meenakshi Medical College Hospital and Research Institute - MAHER university.

1. CME conducted on **“Recent Advances in Thoracic Imaging”** - 6th April 2016 at Meenakshi Medical College Hospital and Research Institute auditorium.
2. CME conducted on **“Recent Advances in HepatoBiliary and Pancreatic Imaging”** - 8th January 2014 at Meenakshi Medical College Hospital and Research Institute auditorium.
3. CME conducted on **“Recent Advances in Gastro Intestinal Imaging”** - 8th March 2013 at Meenakshi Medical College Hospital and Research Institute auditorium.
4. CME conducted on **“Basics of Breast imaging and Women’s Imaging”** by **Julie A Ritner** (Germany) on 4th January 2012 at Meenakshi Medical College Hospital and Research Institute auditorium.

CME on 08.01.2014

“ RECENT ADVANCEMENTS IN IMAGING OF HEPATOBILIARY AND PANCREATIC DISEASE”

INAUGURAL PROGRAMME

- 10.30 AM : Prayer
- 10.35 AM : Welcome Address by **Dr. K.V.Rajasekhar**
Prof. & H.O.D., Dept of Radiology, MMCH & RI.
- 10.40 AM : Inaugural Address by **Prof. Dr.K.Nithiyanthan**,
Dean, MMCH & RI
- 10.45 AM : Keynote Address by **Prof. Dr.V.Venugopal**,
PG Director MMCH & RI
- 10.50 AM : Vote of Thanks by **Dr. S.Venkateswara Rao**
Assoc. Prof. of Radiology, MMCH & RI

Followed by Tea

SCIENTIFIC PROGRAMME

Chair Persons : **Prof. Dr. Natarajan** M.S. H.O.D of General Surgery, MMCH & RI
Prof. Dr. R. Ravi, M.D., D.M. (Gastro) H.O.D of Medical Gastroenterology
MMCH & RI

- 11.00 to 11.30 AM : *Newer Insight into Pathogenesis & Clinical manifestations of Hepatobiliary and Pancreatic Diseases*
by **Dr. Pandurangan Basumani** M.D., MRCP, FRCP,- Consultant Physician & Gastroenterologist Fortis Malar Hospital Adyar, Chennai
- 11.30 to 11.50 AM : *Role of Imaging in Pancreatic Disease*
by **Dr. N.Parthiban** - Prof of Radiology, MMCH & RI.
- 11.50 to 12.10 PM : *Role of Imaging in Gall bladder and Biliary duct Disease*
by **Dr.V.Srilatha** – Assistant Professor, MMCH & RI.
- 12.50 to 12.30 PM : *Role of Imaging in Hepatic Disease*
by **Dr. S.Jaiganesh** – Assistant Professor, MMCH & RI
- 12.30 to 01.00 PM : *Latest in Management of Hepatobiliary and pancreatic disorders*
By **Dr. Pandurangan Basumani**

01.00 to 01.30 PM : **Interactive Session**

01.30 PM : **LUNCH**

CME on 08.03.2013

“ RECENT ADVANCEMENTS IN GASTROINTESTINAL IMAGING ”

INAUGURAL PROGRAMME

10.30 AM : Prayer

10.35 AM : Welcome Address by **Prof. Dr.N.Kulasekaran**
Prof. & Director, Dept of Radiology, MMCH & RI.

10.40 AM : Inaugural Address by **Dr.(Mrs) B. Ramathilakam,**
Dean, MMCH & RI

10.45 AM : Keynote Address by **Prof. Dr.V.Venugopal,**
PG Director MMCH & RI

10.50 AM : Vote of Thanks by **Dr. K.V.Rajasekhar**
Prof. of Radiology, MMCH & RI

Followed by Tea

SCIENTIFIC PROGRAMME

Chair Persons : **Dr.(Mrs) B. Ramathilakam,** M.D., D.M., Dean, MMCH & RI
H.O.D of Gastroenterology, MMCH & RI
Prof. Dr.V.Venugopal, M.D., Ph.D PG Director MMCH & RI

11.00 to 11.30 AM : *Role of Conventional Imaging in Gastrointestinal Tract Diseases*
by **Prof. Dr.K.V.Rajasekhar** Prof Of Radiology, MMCH & RI.

11.30 to 12.00 Noon : *Role of Ultrasonography in Gastrointestinal Diseases*
by **Prof.Dr. P.M.Venkat Sai** - Prof & HOD of Radiology,
Sri Ramachandra Medical College, Porur.

12.00 to 12.30 PM : *Role of CT Imaging in Gastrointestinal Diseases*
by **Dr.Srinivasaraman** – Consultant Radiologist & Director of
HCG Anderson Diagnostic Centre, Chennai.

12.30 to 01.00 PM : *Role of Interventional Radiology in Gastrointestinal Diseases*
by **Dr. R.Sukumar** – Assoc..Prof of Radiology –

Stanley Medical College, Chennai .

01.00 to 01.30 PM : **Interactive Session**

01.30 PM : **LUNCH**

Department of Radiology, Meenakshi Medical College & Research Institute conducted a CME programme under the guidance of Meenakshi Academy of Higher Education & Research (MAHER) { Meenakshi University} In the College Auditorium of Meenakshi Medical College & Research Institute on 4th January 2012. (From 11.00 am to 1.30 pm)

Dr.Julie Ritner M.D, who is Consultant Radiologist at Harvard Medical School, Brigham and Women's Hospital, Boston, U.S.A, delivered two useful & interactive guest lectures on

- 1) **Basics of Breast MRImaging &**
- 2) **Overview of interesting & challenging cases in OB Ultrasound**

She is also an author of *Basics of Breast MRI* .

More than 140 delegates attended the meet.

Meenakshi Medical College Hospital & Research Institute Kanchipuram
(Constituent body of Meenakshi Academy of Higher Education and Research)

As Doctors, we are all subjected to unhealthy levels of stress on a daily basis. We Doctors hardly have any time to think about who we really are, how much we are aligned spiritually, how healthy our habits are ! Such is the burden of modern life!

The spiritual activities and health consciousness for us will prove to contribute much to our social well-being. It will also be a portal where we could express and show out our output in relation to what is being practiced in our Hospital.

Keeping this in view, We take this opportunity to present an useful talk on

“Secrets of life - Disclosed ” by Dr. K.V.Rajasekhar

on 31.10.2011 (Monday) 10.30 am to 12.00 noon

Venue ; College Auditorium .

Contents of the meet:

- Being happy takes practice, but the results are well worth the effort! Learning to seek happiness by limiting desires, rather than in attempting to satisfy them.
- Research shows that adopting healthy lifestyle habits can affect a person at a genetic level.
- Greatest gifts to mankind - gift of self-awareness - man can stand apart from himself and practice self-observation.
- Role of release of endorphins in emotional health and physical well-being.
How to make the shift from tongue-conscious food to health-conscious food pleasurable.
Many people spend their health gaining wealth, and then spend their wealth regaining their health.
- Value of Yogasanas in day to day life.

- Postures of Yoga prepare us – our nerves, our glands & our minds- to dive deep inside into subtler & subtler layers of our being.
- **How to enjoy a Happy physical, mental, emotional and spiritual life.**

More than 250 Doctors and students attended this useful meeting

CME on 31.12.2011

“ RECENT ADVANCEMENTS IN ONCO-RADIOLOGY”

INAUGURAL PROGRAMME

- 10.30 AM : Prayer
- 10.35 AM : Welcome Address by **Prof. Dr.N.Kulasekaran**
Prof. & Director, Dept of Radiology, MMC&RI.
- 10.40 AM : Inaugural Address by **Prof. Dr.T.Chandrashekar**
Dean, MMC&RI
- 10.45 AM : Keynote Address by **Prof. Dr.V.Venugopal**,
PG Director MMCH&RI
- 10.50 AM : Vote of Thanks by **Prof. Dr. K.V.Rajasekhar**
Prof. & H.O.D. Radiology, MMC&RI

Followed by Tea

SCIENTIFIC PROGRAMME

Chair Persons : **Prof. Dr. U.Venkatesan**, M.S., DLO - H.O.D. ENT .
Prof. Dr. M.Balakrishnan, M.S., D.Ortho - H.O.D. Orthopedics
Prof. Dr. P.Gomathy,M.D., DGO - H.O.D. Obstetric & Gynaecology

- 11.00 to 11.30 AM : *Role of Imaging in Head & Neck Cancers*
by **Dr. Jayaraj Govindaraj** – Senior Consultant & HOD of
Radiology & Imaging – Apollo Specialty Hospital, Chennai.
- 11.30 to 12.00 Noon : *Role of Imaging in Skeletal Neoplasms*
by **Prof.Dr. Kailasanathan** - Prof & HOD of Radiology
Barnard Institute of Radiology, Govt. Genl. Hospital, Chennai.
- 12.00 to 12.30 PM : *Role of PET CT Imaging in Oncology*
by **Dr.Srinivasaraman** – Consultant Radiologist & Director of
HCG Anderson Diagnostic Centre, Chennai.

12.30 to 01.00 PM : *Role of Imaging in Gynaec Malignancy*
by **Dr.S.Anitha** - Asst.Prof of Radiology, – MMC & RI , Kanchipuram.

01.00 to 01.30 PM : **Interactive Session**

01.30 PM : **LUNCH**
